

# Advanced Conveyors & Bulk Handling Systems

The SMART Conveyor™ Company

**BE  
&E**

## ENGINEERING & INSTALLATION

Far more than a machine manufacturer, BE&E offers modeling, layout design, construction management, and turn-key services for its customers. We design everything in 3D to precisely locate equipment and prevent misunderstandings that can occur with 2D modeling.

## ACCURATE DESIGNS

Engineering completed in 3D

## TURN-KEY SOLUTIONS

Pellet mills  
Material handling  
Chipping lines  
Log infeed  
And more!

## EXPERIENCED CONSTRUCTION

Available  
worldwide
